

THE BUZZ

JANUARY/FEBRUARY 2022

Dear Buzz Readers,

A Happy New Year to Everyone.

Covid is still with us but hopefully we are in a much better place than we were when I wrote this message a year ago because those that are able have taken up the request of getting vaccinated.

The Newsletter has been delivered throughout our ordeal and I would like to thank the regular team of volunteers who so kindly make sure that has happened. It has been a little tricky to find items for the Newsletter, due to a lack of local items, and so if any reader has an article that may be of interest please let the editor know.

I do hope that 2022 will see the return again of our Revel Week and hopefully before that the village can celebrate the Queen's Platinum Jubilee in some form.

I would like to take this opportunity of welcoming any family who may have recently moved into Bridgerule and hope that you soon feel like you want to join in with village life.

Please remember that anything for the next Buzz has to be with the editor by 20th February.

NEW EQUIPMENT FOR CHILDREN'S PLAY PARK

Our Children's Play Park has always been popular but after the re-opening of it following the lockdown it became more popular than ever. This has not only been a happy place for children to come and play with siblings and friends but a safe and welcome meeting place for parents and friends after being forced to stay in their own homes for several months.

The Village Hall Committee became aware of this and approached the Parish Council, as custodians of the park, with a view of replacing some of the play equipment which was showing signs of wear and tear. The Parish Council gave their approval and the village hall committee applied for some specific grants towards the refurbishment.

As a member of the hall committee, Stacey Cholwill met with mums and children who used the park to seek out their ideas. Together they met, Ben, a representative of Play Force, builders of play parks and a plan was set out. The price of replacing such equipment is very costly and a further price increase expected in January. With £32000 accumulated, which included a £10000 donation from hall funds and £4000 already set aside in a parish council account an order was placed. The parish council agreeing to reclaim the VAT. This alone is worth over £6000 and means the children can have the full benefit of the money raised.

A computer image of what the new equipment may look like.

PARISH COUNCIL ELECTION 1946

18 candidates for 10 seats.

Much excitement prevailed in Bridgerule on Tuesday, the occasion of the first Parish Council election. The day had its humorous side. Some person or persons whilst the villagers were asleep, had painted witty slogans on all the tradesmen's windows. Mr Hooper was presiding officer, and Mrs E. Oke Holsworthy poll clerk. The polling station was at the Public Hall, where a large crowd gathered after 8.00 pm to wait the result, which was announced by Mr J.A. Churchill, Returning Officer.

The 10 councillors are; Messrs. F.C. Lucas 187, R. Bowden 170, E.G. French 170, C.J. Andrews 159, W.R. Curtis 159, W. Dodd 155, P.P. Pratt 141, C. Dinner 120, F.W. Moore 111, W.J. Martin 108.

The unsuccessful candidates were; A.T. Bowden 98, R.W. Loye 90, H.M. Martyn 89, P.W.A. Vinnicombe 84, D. Nolan 55, L.H. Hannaford-Hill 48, V.U. Connell 32, A.J. Nolan 19.

There were 1,995 votes cast - 84 per cent, of the electorate.

Each candidate thanked the electors. Mr Lucas said his father had been chairman for Bridgerule East for 19 years. He took on after his father, and had been chairman 19 years this March, and was proud of the fact that parishioners placed such confidence in him as to elect him now.

NEIGHBOURHOOD WATCH NOTES

Welcome to the New Year 2022 and Coronavirus-a-go-go. What's to do? I hope that everyone is getting vaccinated and keeping safe from what we can't see.

Unfortunately the criminals and scammers are even more out there working on different ways to get your money. If you are able to receive the Neighbourhood Alerts you have the most up to date information to avoid being caught.

Mostly "if you ain't joined you can't win". Never pay to find out how much it says you will get.

There are so many innovative scams out to catch us, it almost leaves the ordinary burglar out in the cold. But don't be fooled into thinking they have disappeared.

Oh No They Haven't!

Do keep things safely to yourself. It's a bit late to write that presents should be out of view whilst shopping. However it's the same for everything. If it's visible it could be vulnerable to theft.

Who's the strange person knocking on doors asking funny questions? It is not Santa Claus, but it could be someone "casing the joint". Looking for ways in to pinch your stuff. Keep them out.

As ever be careful out there.

If you are in doubt as to whether a crime is in progress, or life is in danger call 999.

You can report crime online to "www.dc.police.uk/contact/" or anonymously on Crimestoppers 0800 555 111.

Stay safe, happy and healthy for 2022.

More frustration for computer users.

BT has confirmed almost 200 new locations are set to receive its fastest broadband speeds. Gigabit-capable (FTTP) connections is a faster more reliable fibre-optic cable system linked directly to the router in your home. Different from the older connections that hooked-up to the fibre-optic infrastructure in the green boxes in the street. Guess what? None of the areas planned in this rollout include any in Devon or Cornwall! Now there's a surprise.

Facebook has changed its name to META, this has come, not surprisingly following a massive outage of all Facebooks servers. This has nothing to do with the blackmail of thousands of well-known celebrities from recently hacked social media platforms by Russian hackers, or has it?

Android phones infected by dangerous malware.

Several million Android mobile phones have become infected with a Trojan virus downloaded embedded in a Shooting Arcade type game. The software is downloaded from the App store and is designed to steal your data. This can be irradiated by running an anti-virus app also available from the App store. But it's good practice to install anti-virus software on your mobile phone anyway as infections are easily transmitted through games, videos and imagery downloads.

Storm Damage

Recent storms have caused many systems to malfunction, the main cause has been power surges down the telephone line burning out routers and modems. To avoid this, disconnect the hard wire from the router to the computer and install a Wi-Fi dongle, they only cost a few pounds but can save buying a new computer.

Reconditioned Laptop for schoolwork If you know of a child who requires a computer for schoolwork, I have a reconditioned laptop, which may fit the bill, this unit is gifted and free, but will need a new battery in the near future (sponsored requests only please).

Windows 11

Microsoft is disappointed at the slow uptake of Windows 11, not surprising as most users need to buy a new machine to download the update. I have produced a DVD which will install Windows 11 free on older system, contact me for details.

FESTIVAL OF REMEMBRANCE 2021

The Tamarside Singers were invited to be the Choir at the Festival of Remembrance held at St. James Church Kilkhampton in November. Some Members of St. James the Great Church joined them for this event. The Tamarside Singers led the congregational hymns and sang 2 chosen pieces. Conductor Alan Quilter and organist Brenda Luxton. The choir's regular accompanist, Amy, assisted at practices.

Mr Luke Francis organised this wonderful event and the church was full for both services.

The Tamarside Singers sang at Marhamchurch Methodist Chapel before Christmas at their annual Carol Concert. Unfortunately due to covid the choir were unable to perform at their own Carol Concert.

The village were saddened to hear that Michael Glover had passed away recently. Our thoughts are with his wife Irene and her family. A graveside service will be held on January 4th. Michael had lived in Bridgerule all his life. Before moving to Bridge Park he resided at Station Cottages.

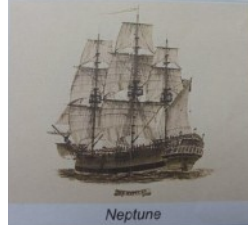

BRIDGERULE COFFEE CLUB

Audrey and Sheila run the village Coffee Club which is held every two weeks at 10.30am on a Tuesday in the village hall. The next one will take place on the 18th January. It is open to all at a cost of £2.50 which includes tea/coffee cheese scones and cake. All profits donated to hall funds. Occasionally speakers are invited.

It is hoped that later in the year we will be able to return to our popular monthly coach trips.

**PICNIC TABLE AND PLAQUE TO COMMEMORATE OUR FAMOUS
BRIDGERULE LADY. (By Rose Hitchings)**

Bridgerule Parish Council are about to purchase a picnic table which will be positioned near to the river Tamar by the bridge - for all to use - and with a plaque attached as a memorial to our ELIZABETH VEALE.

Elizabeth Veale was born 1766 at the farm called Lodgeworthy - the entrance gate to the farmhouse and land is next to the school - and her home (still there today) is set on a slope overlooking Bridgerule. Her father died when she was about 6 years old and we understand she went to live with her Grandfather at Tackbeare Manor for a while. The vicar at this time was the Rev. Kingdon and Elizabeth was invited to be a companion to his daughter Bridget where together they attended lessons alongside his other children. Elizabeth lived with the Kingdon family at the vicarage until her marriage in 1788 when she was 22. Elizabeth Veale and Bridget Kingdon became life-long friends and it is from letters sent to each other and to Grace Veale (Elizabeth's mother) that much of her life has been researched and recorded.

Elizabeth's husband was John Macarthur who joined the New South Wales Corps in 1789 and together they boarded a ship 'Neptune' that would take them on a 6 month long hazardous journey to AUSTRALIA (with the second fleet). Conditions on this ship were terrible beyond belief - almost 500 convicts (men, women and children) were being held on the deck below (158 died before reaching Australia) and it was here on board ship that Elizabeth and John spent 2 months, including Christmas, in cold, cramped conditions on board before ever leaving England - she was just 24.

The couple finally set sail in January 1790 and with them was their infant son Edward - a sickly child, small for his age - and with Elizabeth pregnant with their second child - a girl who was to die during the voyage. They survived huge hardships on board, shortages of rations, maggots and vermin, very little water for drinking and keeping themselves clean, extreme heat and extreme cold, frightening storms that lasted days at a time and also had to endure many unpleasant arguments with the ship's captain Nicholas Nepean. So much so that at Cape Town in February the Macarthurs changed ship to the 'Scarborough' where conditions were much improved although both her husband and small child were very ill and needed day and night nursing.

Conditions were not a lot better when the ship arrived at Sydney Cove where Elizabeth and John found that their allotted home was little more than a wooden hut ... but over the years despite drought, near starvation and flooding the Macarthurs became huge land owners (43,000 acres in census of 1824) and **famous for the production of merino sheep**. Elizabeth managed several farms during her husband's absence when he had to return to England for 8 years - and it was **she who was important in establishing Australia's wool industry**. John and Elizabeth had 8 children and although in her letters she often wished to return to the place of her birth she never did - dying in Australia 1850 age 84.

Elizabeth and John Macarthur are remembered ... on an Australian bank note (John), a solid silver 5 dollar coin (1995) (Elizabeth), a medal (John) and a set of stamps (1934). There is an Elizabeth Macarthur Agricultural Institute - an Avenue named after her - a Park - and a School in her name. Elizabeth Farm, her first home is now owned by the New South Wales Historic Houses Trust.

Rose and the editor both feel that it is important for our children whom attend Bridgerule Primary School to learn about their own village heritage such as Elizabeth Macarthur and when convenient they will be going into the school to do just that.

The book '**Elizabeth Macarthur - A life at the end of the world**' written by Michelle Scott Tucker gives an insight into the changing fortunes of this intriguing family. Michelle came to Bridgerule in 2014 and visited St. Bridget's Church - Lodgeworthy - Tackbear - The Mill and The Glebe. (The Glebe as we know it today was built about 1840 - after Elizabeth's time - but an earlier vicarage was built on this area of Glebe and where she stayed with the Kingdon family).

ELIZABETH FARM—AUSTRALIA

IT'S THE WAY I TELL EM!

I met an 80 year old lady the other day and because she had just got married for the fourth time I asked what it felt like to be marrying again at 80, and then about her new husband's occupation. "He's a funeral director" she answered. Interesting I thought.

I then asked if she wouldn't mind telling me a little bit about her first three husbands and what they did for a living. She paused for a few minutes as she needed time to reflect on all those years. But after a short while a smile came to her face and she answered proudly.

She was married in her 20's to a banker. She married a ringmaster in her 40's. a preacher in her 60's and now in her eighties—a funeral director.

I was a bit puzzled and asked her why she had married four men with such diverse careers. She simply smiled and said

"I married one for the money, two for the show, three to get ready and four to go!".

DEVON AIR AMBULANCE

At the recent Mind, Body and Soul event organised by Lorraine and her helpers in the hall, the stall holders and raffle raised £357. This was matched by a generous anonymous donation to total £714.00.

This great amount was then donated to The Devon Air Ambulance Trust.. Thanks is also expressed to all those stallholders who gave a cake towards the refreshments which helped to raise £62 and was given to support The village Newsletter, The Buzz.

We can all learn an invaluable Leadership Lesson from this pack of wolves:

The 3 in front are old and sick. They walk in front to set the pace.

The next 5 are the strongest. They protect the front side from an attack.

The middle group is fully protected.

The 5 behind them are also among the strongest. They protect the back side.

The last wolf is the LEADER. He ensures no one is left behind. He keeps the pack tight and on the same path. He is ready to run in any direction to protect his pack.

Being a leader is not about being in front.

It's about taking care of your team.

VILLAGE CAROL SINGING 2021

'There was a lovely turn out of both adults and children on the two Tuesdays before Christmas and a BIG THANK YOU to all who took part - both singing and collecting money. Bridgerule looks brilliant - we had twinkly lights all the way - our village looks a treat and is well worth a walk round. Special thanks must go to the kind people in Southfield who made us especially welcome with trays of food and further along a table laden with mulled wine and more mince pies etc. The second Tuesday was a chilly evening but we were definitely warmed by kindness and delicious mulled wine.

The first night made a pleasing £83 ... and on Tuesday 21st December we collected £127 so after Christmas our church, chapel and school will receive £70 each. A big thank you to Santa in his sleigh and Bill Eastcott who on his decorated quad bike looked remarkably like Rudolph - red nose and all.'

Carol singers at Littlebridge Cross before they moved on to Southfields and were treated to some welcome refreshment.
