

THE BUZZ

Issue 20 Nov/Dec 2012

Dear Buzz Readers,

A bumper packed edition of The Buzz for you to read with lots of events soon to take place in the community and each hoping that you will show your support when you are able.

It is great to report that three young people from our relatively small village have all graduated in recent months at their respectful universities. Congratulations to Daniel, Sarah and Joanne.

My spotlight is on someone I have wanted to interview for a long time because I believe he is a real gentleman and has lived in our village for about seventy five years.

If you have anything for the next Buzz Newsletter please send it to me by 20th February 2013.

Will you please note that I have changed my email address. It is now sheilacholwill@btinternet.com.

ARMISTICE POEM 2011

In 1914 all was not well,
A War of atrocity – the War from Hell
Off they Marched with Pride Boys and Men,
Many of them would never be seen again

Their peaceful homes were miles away,
from where they kept the Hun at bay
In deep dug ditches they called a trench,
muddy and wet with a deadly stench
Protection though from the bullets that did fly,
fired from the enemy on the other side

For our Brave the wait was over, when the whistles did blow,
up the ladders and over the top they did go,
Following their Leaders with Courage and Might,
to the enemy posts they took the fight
Pushing forward they ran but not for long,
as the enemy machine guns suddenly burst into song
Cutting them to ribbons in hail of hot lead,
now lay Fathers and Sons – stone cold dead

And what was it for – 50 yards of flat, open ground,
what's the point of that?
One that was raped, tortured and bare,
battered and broken with death in the air

A sea of mud in brown and not blue,
where against all odds the Poppies grew
Year on year – the Soldiers symbol of hope,
inspirational thoughts "Flanders Fields" McCrae wrote

As I wrote my poem, I hope and I pray,
you Forget not the tomorrows given for your Today
At 11 In Silence you know what it's for,
Stand and Remember Them Forever More

SEASON OF PEACE AND GOODWILL!!

It all began with an iPhone.....

March was when our son celebrated his 17th Birthday,
and we got him an iPhone.
He just loved it, who wouldn't?

I celebrated my birthday in July, and my wife made me very happy
When she bought me an iPad.

Our daughter's birthday was in August so we got her an iPod touch.

My wife celebrated her birthday in September so I got her iRon.

It was around then that the fight started....
What my wife failed to notice that the iRon can be
Integrated into the home network with the iWash,
iCook and iClean.
This inevitably activates the iNag reminder service.

I should be out of hospital next week!!!.

Daniel has always lived in our village and began his fulltime education at Bridgerule Primary School in 1995 under the headship of Mrs. Sutton.

At the age of 9 Daniel showed an interest in engineering when he and Rafe Chard, a pupil also at Bridgerule entered a Junior Knex competition for Junior engineers and their success saw them travel to Plymouth to collect their certificates. It was also during his primary education that Daniel began to play the baritone for Bude Town Band, taking part in various concerts and competitions.

At the age of eleven Daniel continued his education at Holsworthy Community College and where he later took his GSCE examinations.

Daniel also enjoyed Rugby and played hooker from the age of thirteen until he entered university for Bude Rugby Football Club. During this time he gained a trophy for most improved player.

Very sadly in June 2005, as the result of a road accident Daniel at the age of 14 felt the tragic loss of his sister, Tracey. To further his education Daniel chose then to study for his 'A' levels. This he did at Budehaven Community College and received good results, which gained him an entrance into the University of the West of England at Bristol to study Motor Sport Engineering for 3 years.

For one of these years Daniel was required to have a work placement. For this Daniel applied to the famous Red Bull Racing Team alongside 800 other applications! Daniel was invited for an interview when the final 50 applicants had been chosen and he was even shortlisted to the final four but was not successful in securing the placement. Whilst at university Daniel worked for Generation Aston Martin Racing as part of the pit crew. During his time with the team he worked at several race meetings at Silverstone Circuit. When Daniel wasn't studying and when he came home on breaks he enjoyed and still continues to build the cars and compete in driving in banger racing, travelling as far as Portsmouth in Hampshire and to St. Day in Cornwall.

In June 2012 Daniel gained a Bachelor of Engineering Degree and he and his proud parents travelled to Bristol Cathedral in July for the graduation service.

Whilst actively looking for employment since his graduation Daniel is at present working on a dairy farm near Highampton.

Daniel is the only son of Gary and Shirley Abbott of Carn Venn.

The editor thanks Daniel for his interview and wishes him well in his chosen career.

BRIDGERULE VILLAGE COFFEE MORNINGS

Originally started by the late John Stoneman the Coffee Mornings, held in the village hall on alternate Tuesdays, have been run, over the last 7 years, with tremendous commitment by Gwynneth and Ron Cameron. At the end of the year they will be hanging up their aprons and handing over the tea towels to Pat and Alec Johnston.

Pat & Alec moved to Bridgerule, from Cheshire, 5 years ago. Pat had spent 40 years as a Nursing Sister and Alec is a Chemical Engineer. Although "retired" Alec still travels the world as an Independent Consultant in High Level Technical Risk Assessment.

For the Coffee Mornings to flourish we ask for your continued support and help. Why not visit David in the Mobile Library for your books then drop in for coffee and cake afterwards? We even have a raffle and you don't need to be "Over 50" to join us. We look forward to welcoming you.

Would you like to come carol singing?

Anybody who would like to come **CAROL SINGING** in the village on **Wednesday 12th** and the following **Wednesday 19th** December is most welcome.

We meet on the 12th at the Christmas tree in the centre of the village (opposite Bridge Inn) and on 19th at the lamp post/bus stop near Littlebridge Cross. Both times we meet at 6.30 pm

Wednesday 12th is the one that makes you feel that Christmas has arrived. We'd like adults to come along and accompany the children from Bridgerule Primary School, and when they sing "Away in a manger" you can't help having a lump in your throat – it's just so lovely! We usually go back to the school for a hot drink (although this hasn't been decided yet this year) before dispersing, and we finish about 8.30pm

On the 19th we usually have quite a few adults, but children are most welcome accompanied by an adult. We sing around Littlebridge and Southfields area and try and do the centre of the village. Again we finish about 8.30pm and it is not unknown that some of us go the Bridge Inn afterwards to "wet our whistle".

Collections are made from the houses using tins, whilst some of us sing in a group under a nearby lamppost – layers of warm clothing and the carrying of torches are recommended. Last year we collected nearly £100 from the kind, generous people of Bridgerule, and all the money is divided equally between the Church, the Chapel and the School.

Carol sheets are provided.

For more information please contact Chris or Rose Hitchings 01288 381129 or call at Meadows Barn. We would love to see you!

Spotlight on Mr. Ben Ashton

Mr. Ben Ashton was born on December 21st 1915 at Darracott Kilkhampton with part of the then family farm now forming part of Tamar Lakes.

Ben attended Kilkhampton Primary School and at the age of eleven he began attending Dunheved College now called Launceston College.

Upon reaching the age of 14 after taking his final exams he began working on the family farm at Darracott. In 1937 Mr. Ashton Senior sold Darracott and the family moved to rented accommodation at Forda Kilkhampton.

Southlands Farm Bridgerule was where Ben together with his mum, dad and sister Marion then moved to. Renting the farm at first and later buying it from the Kingdom family.

When war broke out Ben joined the Home Guard. He remembers that one night in every nine dressed in uniform and armed with a rifle he and other members of the Home Guard would go to Highfield. Their shift was from 9.00pm to 6.00am and their job was to patrol the roads at Bridgerule in case of enemy attack.

He also joined the Holsworthy Signallers and part of his training in the Signallers was to learn the Morse Code. During the war about six acres of potatoes were grown at Southlands alongside other vegetables and the Italian and German prisoners of war who were being held in a camp in Holsworthy were transported by coach to Southlands and other local farms to assist in the husbandry of the land. An officer would be sent with these men and Ben remembers them helping to dig the potatoes on his father's farm and also the clearing of some woods.

Ben also recalled when the workmen would use the heavy horses on his dad's farm to carry out specific tasks at Southlands.

Ben recalls that the first tractor he bought was a new Fordson costing £185 and said that Southlands was the first farm in Bridgerule to have a tractor with rubber tyres. Ben has always been interested in cars and remembered that the first car his father had was a new Morris Oxford bought in 1924 at a cost of £300 from Messrs. Cann Medlands Garage in Bude, now the Esso Garage.

A major part of Bens farming life was to buy and sell good stock and that interest is still there today. When he began farming in 1938 he recalls paying about £15 per head for good store cattle and £18/£20 for a cow and calf.

Ben liked to travel to dances and it was at one such dance after an Annual Launceston Horse Show that he met a Miss Barbara Ward from Lifton and in 1945 at Lifton Parish Church she became his wife.

The honeymoon being spent in Bournemouth and on their return they began married life living at Southlands with Ben's parents.

In 1946 their only daughter, Celia was born. Celia lives with her husband Victor at Stitworthy Farm Clovelly.

In about 1952 Ben contracted polio and had to spend three weeks in an Isolation Hospital in Plymouth. Visitors going to see him could only speak to him through a glass screen.

Ben remembers the family selling their own produce of butter, poultry, rabbits and apples regularly at a market near to the Neetside in Bude. He also recalls pigs at Southlands years ago contracting Swine Fever and all of the carcasses having to be buried at least six foot deep and covered in lime.

In 1955 Mr. and Mrs Ashton Senior built a bungalow very near to Southlands and retired to 'The Gables' Bridgerule. The late Mr. Wilfred Westlake was employed by Ben for many years as a farm worker and even after Ben's retirement he continued to work for Bens son-in-law at Stitworthy.

Ben semi-retired in 1976 and both Barbara and Ben have enjoyed going on holidays. One of the favorites' was in 1981 when they travelled to Australia, Hong Kong and Thailand for six to seven weeks.

In 1991 Mr and Mrs. Ashton passed their stone farm buildings on to their daughter, Celia. These buildings were then converted and in 1992 Southlands Court Residential Home was officially opened. One of its employees since the official opening has been Winnie, wife of the late Wilfred Westlake who had been employed by Ben when Southlands was a farm.

Ben has been a member of Holsworthy Bowling Club and in addition to playing local matches he enjoyed spending a week away during the summer playing clubs further a field

At the age of 96 Ben still drives his car and regularly attends the local Methodist Chapel. He was for many years a Treasurer of the chapel. He enjoys watching television especially sport and in particular football, tennis and cricket. His favourite football team being Manchester United. He also enjoys political programmes on television and reads the daily newspaper. Ben also takes great pride in his garden which is full of mature shrubs and plants which when the editor visited was absolutely lovely.

Ben and Barbara have been married for 66 years and have two grandchildren, Robert and Claire and three great grandchildren, Nathan, Melissa and Caitlin.

I sincerely thank Mr. Ashton for allowing me to interview him and wish him a very happy 97th Birthday in December.

The first to fly the nest from Glebe House ...

Our eldest daughter Sarah graduated this summer from the University of Wales at Swansea with a BA (hons) in Educational Studies. Having loved her student years, she is now sharing a house in Exeter and starting her teaching career at the lovely Llympstone Church of England Primary School.

In her three years at University, Sarah volunteered to work at two local schools, Holsworthy Primary School and our own Bridgerule Primary School. She loved the happy

family ethos of our village school and the support of all the team there and the Key Stage 1 children. Sarah was invited to do her final year research project there and this, together with Maura Furber and Barry Williams' kind references, all helped Sarah 'on her way' and we all reflect very warmly and appreciatively on those experiences.

On Sarah's final day before the school paused for the summer holidays, and prompted by the Olympic & Paralympic events, she brought in some of her GB Swimming Team kit and her many medals from her GB Paralympic swimming years. She enjoyed recounting her memories and experiences to a rapt audience of students & teachers, sharing the wearing of medals and costumes (!) as she chatted about the races, here and abroad, and the British and World records she achieved in her competitive days. Hopefully doing her little bit to 'Inspire a Generation'!

Sarah is the daughter of Michael and Alison Timms of Glebe House.

On behalf of The Buzz readers the editor wishes to congratulate Sarah on her graduation and wishes her well in her chosen career especially in her first teaching appointment at Llympstone.

NEIGHBOURHOOD WATCH by John McDougall -Tel 01288 381237

Neighbourhood watch is about looking after yourself and your neighbours. That's not prying. Just being careful. A friend of mine suffered a burglary. They drew the curtains. Over the road a neighbour thought it strange as my friend never drew the curtains. Inside, the burglars took what they wanted- unseen. The neighbour was dismayed when it was known about, as the strange fact of drawn curtains had alerted them.

Do not give any bank details to people who telephone you. Think on it! Why would they want to know?

P.S. HAVE YOU LOST A BIKE?

Joanne began her fulltime education at Marhamchurch Primary School.

At the age of eleven she transferred to St Josephs in Launceston and Joanne remained there until she had completed her GCSE examinations.

To study for her 'A' levels Joanne transferred to Shebbear College.

After completing her final exams at Shebbear College Joanne began a three year course at Loughborough University in Sport Science and Management.

As reported in an earlier Buzz Joanne spent three months last summer working in and visiting parts of America including as she said the completely crazy and hectic but amazing New York City before returning to complete her university degree.

When Joanne has not been studying and when she came back to her family home she has been employed at the Falcon Hotel.

In June of this year Joanne graduated with a 1st Class Honours.

Joanne is the youngest daughter of Mr. and Mrs. John Gardener of Buttsbeer Farm.

We congratulate Joanne and wish her every success in her chosen career.

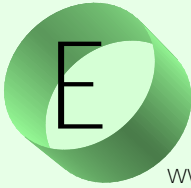

BRIDGERULE SHOP UPDATE FOR THE BUZZ.

After consultation with Tony and Dawn, a revised planning application has been submitted to The Council. In essence the proposal will remain the same however the rear of the shop will be extended slightly to provide storage and washing facilities on the ground floor. The shop front will also be re-designed to a more traditional format. We are presently in negotiations with our tenants regarding the logistics of re-locating the shop while refurbishment works are in progress.

Albert Cottage has now gone under offer to local couple and there is considerable interest in the remaining property.

We will continue to update the web site jubileeterrace.com and as always we are happy to answer any questions or concerns (info@jubileeterrace.com) you may have. *Dan*

Bridgerule Primary School,

We have had a busy start to the new school year! The theme of our learning this term across the whole school is 'Go Green!', where the children are learning about recycling projects and caring for the environment. Already the whole school has visited Rosemoor Gardens in Torrington to take part in exciting learning activities eg making their own recycled paper. The children have also undertaken their week of swimming lessons with some fantastic achievements. We have some up and coming events where we would like to welcome the community to come and celebrate with us. October 24th at 2pm, the school will be holding it's Harvest Festival and our Christmas performance will be on 18th December at 6pm both at the Parish Hall. We would love to see as many of you as possible.

We have an extremely supportive PTFA group, known as FOBS (Friends Of Bridgerule School) who undertake fundraising events for our children. For example, the whole school, once again, will be travelling to the Queen's Theatre in Barnstaple to see Robin Hood, the seasonal panto, as a Christmas treat. Oh yes we will! If you would like to join the hardworking throng, please do contact the school. This is for all friends of the school, you don't have to be a parent.

The school recently held a Macmillan coffee afternoon, where members of the coffee club came along and joined us. We donated cakes and tasty treats and held a raffle and raised the amazing amount of £121 in just over an hour! Thank you to all the parents/carers who supported this and to those who came and socialised with us, making this worthy cause a most enjoyable occasion. We are a happy, vibrant school who welcomes the community into school at any time. If you would like to come and visit, we should be delighted to welcome you. Equally, if any of you would like to receive a school fortnightly newsletter please do contact Mrs Sue Bowden on 01288 381366

Recital by international pianist, James Lisney

Bude Music Society is delighted to welcome James Lisney to the Minstrels Music Centre, Canworthy Water, on Sunday 18th November at 3 pm. James Lisney's celebration of his fiftieth birthday this year has included five concerts at the Amsterdam Concertgebouw, and Schubert recitals in Stamford, Leipzig, Brussels and Berlin – and now here, where he will delight us with his 'velvet touch and wide range of colour' (The Telegraph) when playing pieces by Mendelssohn, Debussy, Chopin and Schubert. Tickets cost £12 at the door, full-time students free. If you would like to go but have no transport, please ring **Kate on 01288 350568**.

To whom it may concern:

As a member of the hall committee I wish to comment that hot and cold water has always been accessible in the village hall but occasionally due to wear and tear things break down and need to be repaired but dishes have never been washed in cold water!

PARROT GONE A-MISSING !

There's a parrot – gone missing – in Bridgerule,
And a lady called Gale – is distraught,
If you see him – then please could you phone her –
She looks for the day – he is caught.

Now Michael's the chap who released him
A 'mistook' that he clearly regrets
He searches each day for dear 'Brucie'
We British – do love – all our Pets.

Now Brian – (quite new to the village)
Is a keen parrot-spotter – for sure –
Always searching – while walking his 2 fluffy dogs
His binoculars – kept by the door.

Our Shirley – each day – looks up to the trees
Just hoping – this parrot – she'll see
And quaintly – she squawks – in a strange parrot-voice
“Cup of Tea - for Brucie – cup of tea !!!”

Keep looking – please - for this African Grey
Who's sadly all LOST and ALONE ...
You'll know him if ever you meet – beak to beak
He can mimic the ring of a PHONE.

One day – this Brucie – was spotted –
Sharing breakfast – with 5 or 6 hens
When their dog – saw this grey-fluffed-up foreigner
Sharing corn – with HIS - feathered friends !!!!

But Brucie – who is friends - to all doggies
Whether massive – or medium – or small ...
Just turned towards ... all the barking –
And screeched “Where's yer ball ? – Where's yer BALL !”

The poor dog was terribly startled
That this grey-feathered 'hen' – had just TALKED
It turned-tail and RAN – for the safety of HOME
Only venturing out for his WALKS !!!

There are posters – all round the village
In the Pub and the Post Office Stores
Asking for - sightings of Brucie
And offering - a handsome - REWARD.

We're NOT giving up – 'till we FIND HIM
This bird – that has got himself lost
YES, we'll keep on listening – and looking
Until FOUND – whether living OR

**BRIDGERULE SHOWS ITS SUPPORT TO
THE BIG COFFEE MORNING FOR MACMILLAN NURSES**

Dian Kirby and Kirsty Dunkin held a Big Coffee Morning recently in support of the Macmillan Nurses at Tackbear Farm House and raised £130. It was enjoyed by everyone, even Lulu the dog and Dian and Kirsty thank everyone for their support.

Macmillan Coffee morning held on 4th Oct, by the Lucas's at Elm Park, Bridgerule raised £220! A huge 'thanks' to everyone who came and helped and to those who donated cakes. We had a fabulous selection of cakes on offer to sample. The morning was hopefully enjoyed by all who came for such a worthy cause.
