Dear Readers,

Another very successful Revel Week completed and quite unusually the weather was on our side all week.

As you can see opposite Royal Mail Outreach Service begins in the hall on Monday 28th September. Mr. Ian Croxton of Kilkhampton Post Office will be our Post Master.

As you read through The Buzz you will see more weekly classes happening in our hall and if you enjoy singing I would personally invite you to join our very own community choir. Other weekly classes that have had a break over the summer return from the beginning of September.

Tracing Footsteps!

About a year ago a Michelle Scott Tucker at her home in Australia typed into her laptop the word Bridgerule". The name that came up was Sheila and The Buzz! She then decided to send me an email saying that she was writing a biography regarding the life of Elizabeth Macarthur. Some readers may recall that an article was written about Elizabeth and Bridgerule in our newsletter a while ago.

She went on to say that in 2014 she was hoping to come to London for a business conference but wanted to include in her visit some time in the West Country to learn more about Elizabeth. So, ever the one to try and oblige I said "consider it sorted". In Spring 2014 I began to make plans for Michelle's visit. Where would she like to visit? Who would she like to see? What did she really want to learn about Elizabeth who was born in our village and who later became a pioneer in the farming of Merino sheep in Australia.

With the help of Diana, Rose, John, Vivienne and David and some others I tried to make it a visit for her to remember and so on 1st July my planning completed, this lady from Australia arrived on my doorstep. Michelle's visit to Bridgerule was spent in bright sunshine and passed very quickly but my wish was that it had been time well spent for her.

I'm sure it was, because a few days after she returned to her home near Melbourne she wrote in her blog "Elizabeth Veale, as she was then, was born in 1766 and raised in the English Village of Bridgerule, on the border of Cornwall and Devon in England's Southwest.

The time I spent in Elizabeth Macarthur's birthplace was absolutely the highlight of my trip to England. But as I always seem to find, the place mattered far less than the people.

The spritely, octogenarian, **Mr Bowden**, who showed me through St. Bridget's Church and then rang the bell for me.

Rose Hitchings who was almost as excited as me to find the gravestones of Elizabeth Macarthur's parents and sister. **Diana Green** who generously shared her knowledge, pictures and research. **The owners of The Glebe**—now a beautiful accommodation venue but once the home of Elizabeth's best friend, Bridget Kingdon. They were more than happy for me and **my new friends** to explore the gorgeous grounds. **Rosie Beat** of The Bridge Mill, who showed me her wonderful, and very beautiful organic garden. **David and Vivienne Hale**, owners of Lodgeworthy (where Elizabeth Macarthur was born) who kindly invited me into their home, shared their information about Elizabeth and fed me the BEST afternoon tea ever!

Diane of Tackbear Manor who also showed me through her home and beautiful gardens. And last but definitely not least, Bridgerule locals, **Sheila and Colin Cholwill** who willingly invited me, a complete stranger, into their home. Luckily we quickly became friends and their generosity and kindness will stay with me for a very long time. It was entirely thanks to Sheila that my adventures in Bridgerule were so successful. *The woman is a human dynamo!*

A few days later in her blog Michelle also describes how she had just read the book "Footsteps" and what she learnt about following the Footsteps of Elizabeth Macarthur in Bridgerule. She says "I learned what a person born in North Devon sounds like!! (John and me I expect!)

I learned the name of Elizabeth's little sister, who died aged two years and nine months at Lodgeworthy. I saw that Lodgeworthy is physically central to the village and delightfully The Ham is used each year for the village carnival. I learned about the topography of Bridgerule. I learned about ghosts (at Lodgeworthy) and gardens and the open friendliness of Bridgerule villagers. I probably learned something about myself."

In conclusion this story just shows that distance need not be a barrier. From a personal view I know that Michelle and I will remain in regular contact as I'm sure will Rose. She has offered Colin and I a holiday in Australia. Not sure if that will happen but I know a friendship has been struck. In return Michelle was truly grateful for the friendliness she received. Bridgerule I'm sure will remain with her for a long time. Sadly since Michelle returned home her mum has passed away.

BRIDGERULE C OF E (VC) PRIMARY SCHOOL

Friday July 25th not only marked the end of the school year for the pupils at Bridgerule C of E (VC) Primary School but there were also fond farewells to Mrs Maura Furber (left of picture) the very popular Class 1 teacher who leaves to take up her new post as Assistant Head Teacher at Holsworthy Primary, in September and Mrs Celia Luff (right of picture) Head of Teaching and Learning , who retires following a 12 month secondment to the Holsworthy Federation of Schools. Mrs Pat Johnston (centre) is also stepping down as Foundation Governor. The pupils sang special songs, read out their own words of tribute and presented both teachers with mementoes of their time at Bridgerule. The Friends of Bridgerule School (FOBS) provided a cream tea for the many parents, friends and carers who shared this emotional afternoon.

Summer Term Topic – All Creatures Great and Small by Georgia and Will

Exmoor Zoo

In May, a Ranger from Exmoor Zoo came to talk about some of the animals they have. He brought a Corn Snake, a Royal Python, spiders, stick insects, a meerkat and a skunk. It was very funny when the meerkat sat on Mrs. Bunning's head. The Ranger explained how the animals were adapted to live in their environment as some were from hot countries and some were from cold climates.

Mini beast hunting at Rosemoor

At Rosemoor, we went pond dipping, mini beast hunting and looking for species of trees. We enjoyed it and Aaron found a huge beetle in the woodland! We were able to learn about vertebrates and invertebrates and used amazing mini viewing glasses to see the creatures in detail.

Year 5 Bristol Trip

During June, Year 5 spent three days in Bristol. We went to the SS Great Britain, enjoyed a boat trip through the city and to Bristol Zoo. At Bristol, the Science Centre, was such fun as we were able to create animations like Wallace and Gromit. We stayed in Youth Hostel and travelled by train – we all enjoyed the experience.

Bridge Mill

In July, both classes went to Bridge Mill. Our Class made food webs with the creatures we found in the pond and Class One looked at habitats, making some of their own! Jane Oliver, a local vet, came to talk to us about looking after animals and how to become a vet – it was very interesting!

Beach Trips

In July, we made two trips to the beach – one for beach games with other schools in the area and one for our school where we went surfing and the Infants joined in with beach sculpture and games. We played beach ball, hand ball and relay races.

Good bye

On the last day of term, we said goodbye to Mrs. Furber and Mrs. Luff, singing some special songs and sharing our memories. We will miss them very much and wish them the very best on their new adventures.

The Long House Appeal

Pam & Gary Bowler of the Bridge Inn, Bridgerule hosted a fund raising event for the Long House North Devon Hospice Appeal. The Long House will be located next to Holsworthy Medical Centre and the Community hospital.

The Hospice offers specialist care and support to patients and families affected by cancer or other life-limiting illnesses. They are there for all the family and all their care is provided completely free of charge.

They work in close association with the local healthcare professionals, sharing knowledge and expertise. The fund raising theme was an authentic Indian meal prepared by Sajla's Taaza Curry who specialises in freshly home cooked authentic Punjabi food that tastes divine and has the 'wow' factor.

Over 70 people contributed in excess of £400 towards the Long House Appeal. The food team consisted of (from left to right) Samantha Seymour-Smith, Paul Goodman, Lisa Vincent, Adrian Armstrong and Sajla Armstrong.

Our Congratulations and
best wishes go to
Jonathan and Faye Pinn
of **Gem Cottage** on their
recent wedding.

OPEN GARDENS

This lady was the official raffle selector at 'Open Gardens'.

To carry out this very important duty she came suitably dressed in her posh hat and gloves!

Representatives from The Devon and Cornwall Air Ambulance receiving cheques from Katie Hallett , our Revel Queen, in respect of the money raised from 'Open Gardens'. Also in the photograph are those who kindly opened their gardens for the event.

TATSON SHOOTING GROUNDS

Tatson Shooting Grounds is set in the rolling countryside of our very own village . It was opened back In the 70s by Stewart Pinn and was home to Holsworthy gun club . Several families from the village where employed to work there Saturdays and Sundays picking up clays ,wads, working the traps (Brock, Eastcott ,Wonnacott,Westlake and Rimmer to name a few) some have said it was the best paid job ever!!!

Recently Tatson Shooting Grounds has been updated being modernised by a team of clay shooting enthusiast namely John , Gary and Anthony. What they have done to the grounds over the last few years has been fantastic. We are open every Saturday all year round and evenings by appointment . Sporting clays are offered to beginners to highly experienced shooters . Individual and party groups welcome. The grounds also holds a permit for non licence holders to be able to shoot at the grounds.

We have also had charity shoots and raised large sums of money for the Devon and Cornwall air ambulance , McMillan Cancer and this year we have chosen to raise money to go locally to FOBS (Friends of Bridgerule School) Please see advert of event.

Please pop along on any Saturday for a normal shoot and expect a warm friendly welcome from Gary Tel:07971633283 or John Tel:07967310627 or Anthony Tel:07776138373.

CHARITY CREAM TEA

On Sunday 20 July 2014 the Youldon family held a Cream Tea afternoon with the proceeds being in aid of the Cancer Research UK.

It was a magnificent afternoon with the Friggin Riffin' group providing the entertainment. The final hour of the afternoon was enlivened by the Friggin Riffin' insisting that everyone gathered around the 'band' and join in a very lusty rendering of old Cornish favourites such as Trelawney. A fantastic afternoon which raised in excess of £1,100.00. .

But seriously, if Elizabeth with an automated American accent asks if it is true someone in your family has had a car accident, don’t take her up on it. Just like any of these automated voice telephone calls—leave it till they stop, or put the phone down.

And finally, I understand 999 calls take priority over 101 calls waiting to be answered, so if there is reason to phone 101 and it goes unanswered it may be right to phone 999 instead.

SAFETY INFORMATION FOR ALL TYPES OF DOMESTIC HEATING

With winter approaching some information to help and keep everyone safe:-

Chimneys should be swept at least once a year if using smokeless fuel or twice a year if using Bituminous/Household coal. When using woodburners, this should be done quarterly when in use.

Please check your house insurance as this could become invalid if you do not hold a current certificate.

Do not use flammable liquids to start your fire and always use a fire guard. Ensure that you have a working smoke alarm and test this weekly. You can get Carbon Monoxide poisoning from woodburners, open fires, Rayburns etc. from burning wood or coal! People think it is just from gas or oil, in fact, any combustible fuel can produce carbon monoxide so it is important to have an audio Carbon Monoxide alarm and have all appliances/chimneys serviced and maintained on a regular basis.

Customer Update June 2014

After a long winter it's great to finally see some sunshine! At Whitstone Stores we have been busy reviewing our range, bringing in lots of great new LOCAL & fine foods, making sure we have everything you need for all those BBQ's as well as great value on your everyday essentials. We have been asking customers on our facebook page (just search Whitstone village Stores) if there is anything else you would like us to stock and even if we should stay open later in the summer? Why not have a look and join in the conversation.

This Month we have 2 new in store services for you, Carpet Cleaner rental to compliment our busy dry cleaning agency and a new self-service Photocopier, just ask any member of the team for more details. We look forward to seeing you soon & remember, if there is anything else we can do for you please just ask, we are only to happy to help.
