

BRIDGERULE NEWSLETTER

6TH ISSUE

JULY/AUG 2010

Dear Buzz Readers,

Welcome to another issue of The Buzz.

Incorporated in this issue is everything one needs to know about the forthcoming Carnival Week. As it is centrefold of the Buzz you may like to detach it and keep it safe for future reference! I'm sure the committee are hoping once again that everyone will support the events wherever possible.

You don't even have to buy one to get another free! Also coupled with The Buzz this time is a copy of the new Parish Plan. The committee under the direction of Cliff Seymour-Smith, have completed this document following the result of the questionnaires every household received last Autumn. I hope that you find it interesting reading!

It's great to see that some residents not living in the parish of Bridgerule are requesting to have a copy of the Buzz and quite happy to sponsor it also.

The Editor.

The Mystery has been solved!!

Do you remember this picture in the last issue of The Buzz? Well — the editor has had numerous calls and enquiries as to whom the young gentleman was to the left of young Mr Raymond Bewes! After a bit of detective work and a bit of luck the problem has been solved. **His name is Mr. Les Bryant.** Sheila has spoken to Mr Bryant who now lives in Launceston. He said he helped plant the bulbs at the age of 19 when he was the neighbour of Mr Dick Piper who at the time ran a shop next to The Bridge Inn. Mr Bryant

lived at Roseville which he later sold to Mr. Bob Stewart. Les now owns and runs “Les’s Second Hand Shop in Madford Lane. It appeared that he had visited Bridgerule quite recently and some Buzz readers may have had a leaflet put through their door distributed by him. He remarked at the time to his wife what he had helped to do some planting 26 years ago when he lived at Bridgerule and was upset to think that some may have disappeared. The editor told him of our intention to hopefully plant more and that perhaps he may like to come to the fund raising for it later in the year. He said he might just do that! It seems Mr Bryant has a flair for planting as he said that his hanging baskets had lasted much longer last summer outside his shop than any of the other shops in Launceston and a photo was printed at the time in the Cornish & Devon Post.

NEIGHBOURHOOD WATCH

7

By John McDougall - Co-ordinator

There are problems in the village, caused, mostly by vandals or just people being mischievous. However, they disturb residents and cost money in putting right what they have done.

Why let them get away with it? Call Crimestoppers FREE on 0800 555111 and you can remain anonymous.

Recently I had to check the law with regard to shooting. It states don't shoot within 50 feet (say 15 metres) of the centre of the road. Don't shoot over a road onto another persons property. It is illegal to just go out shooting birds and wildlife.

In Honiton, recently, men trading as "Future Driveways" tried to use pressure tactics on a homeowner to tarmac a drive, without offering any quote and started the job without permission. If this should happen to you just dial 999 and avoid any hassle.

Anyone living in a Neighbourhood Watch area can have their home insurance reduced. Though how and when insurance companies check on these matters I do not know!

Neighbourhood Watch co-ordinators are still required in certain areas of Bridgerule please contact John McDougall on 01288 381237.

Other News passed by PCSO Beverley Harvey

The police has asked everyone to give consideration and be vigilant during the warm weather in making sure we close all windows and doors before leaving premises.

There have also been a spate of distraction style vehicle stops whereby vehicles are being stopped by a foreign national male and female claiming that they have broken down. Once stopped they attempt to sell you fake jewellery for cash. If you have this unfortunate experience please telephone 08452 777 444.

PARISH COUNCIL NEWS

The Annual Parish and Annual Council Meetings took place in May. It was good to see residents attending the Parish Meeting, reports being given by Cllr. James, County Cllr. Parsons and various groups. Cllr. James was re-elected as Chairman of the Council and Cllr. Seymour-Smith was elected as Deputy Chairman for the year 2010/2011. Littlebridge Meadows has been adopted and the Council is working towards getting the Highways Dept. at DCC to erect a 'cul-de-sac' sign at the entrance to the road. The Animal Warden at TDC has been contacted regarding irresponsible dog owners allowing their dogs to foul areas in Bridgerule. He has visited the village and has painted signs on paths indicating 'no dog fouling'. Unfortunately, one resident has painted over one sign. The Warden deems this as Criminal Damage and will be investigating this further. New fencing has been erected at the open space at Southfields, and we must thank Greg Cooper and Steve Rickwood for helping Cllr. Stoneman to put this up. This was done to prevent children climbing over the fence and falling, with the possibility of injury, into the ditch below. DCC are to implement a 'part-night lighting policy' throughout Devon. This means that over a period of time street lights will be switched off from 12.30 a.m. to 5.30 p.m. The Council has made a donation of £300 to the Football Club as a contribution towards a second-hand mower the Club has purchased. This will be a saving to council tax payers, since any extra cuts of the playing field will be carried out by the Football Club. The next Meeting will be on 21st July, 2010 at 8.00 p.m. in the Village Hall. Members of the Public are always welcome.

Bridgerule School News

Check at our website: www.bridgerule.devon.sch.uk

The years 3 and 4 children from Bridgerule and Bradford Primary schools enjoyed a short break at the Okehampton Youth Hostel, activities including cycling, a night walk and a special visit to the cinema. Residential weeks have been planned for the older children activities to include water sports, rock climbing & Orienteering.

An Olympic style sports day with Bradford School was held in glorious sunshine at the end of May, mixed teams representing India, South Africa, USA, Egypt & England competed in various events including, skipping, obstacle, wet sponge relay, sprint etc. organised by Mr Dan Yiend; following some fierce competition the overall team representing 'England' were declared winners.

Following the sports the newly reformed 'Friends of Bridgerule School' committee had organised a very successful school fair with a BBQ, bouncy castle, tea and cake stalls, wet sponges – children were particularly keen when teachers Mrs. Taylor & Mr Barnes were in the stocks, an old fire engine for children to explore was kindly provided by Mr. Ede.

The younger children enjoyed an adventurous day with their peers from Bradford School at Cookbury woods. Children are seen here making a working tree; other activities included a virtual tree top walk.

The older children enjoyed an exciting surf festival held at

Summerleaze beach organised by Steve Vanstone and staff from the Big Blue Surf School. They have also participated in some cycling proficiency training.

Everyone has enjoyed taking part in Samba lessons this term; Barry Williams continues to run a very successful gardening club.

Children have been making costumes and practising for their summer production of 'Jungle Book' which will take place at the parish hall on 15th July as well as a joint musical evening with Bradford school to be held in Holsworthy Theatre.

The Monday Stay & Play sessions run by Holsworthy children's centre continues to go from strength to strength. Plans to open a preschool to be run in conjunction with Bradford Preschool for September are making good progress

Spotlight on Mr J. Dell

18

John was born on the 17th March 1930 at Knowle Farm Bridgerule, celebrating his 80th birthday a few months ago.

He is the youngest of three sons, born to the late Mr. Tom and Mrs. Gertrude Dell. His two brothers Norman and Raymond having both predeceased him.

John attended Marhamchurch Primary School. After successfully gaining his eleven plus he then attended Bude Grammar School and proceeded his further education at Exeter University to study civil engineering and building for three years. He was given special dispensation to complete his studies at Exeter and did not have to serve his National Service until the age of 21.

John began his employment with a large European engineering company, Costains, employed as a young engineer.

In 1951, he met his wife to be Shirley (nee Dempster). They were married in 1953 and Paris was the destination of their honeymoon.

Shirley was later to travel with John when his employment took him to places such as Nigeria as John said she was a good linguist.

He recalled that whilst working in Africa as an engineer supplies of food and spare parts had to be sent in weekly via helicopter and that the nearest medical help was two hundred and fifty miles away!

Alcoholic spirits could only be drunk on Saturday nights due to the fact that work was uppermost for the rest of the week. He also said that the main priority of his employers was for their staff to be successful for the company. John recalled that he and Shirley were rewarded on one occasion of a holiday in Rome.

He also worked on a very large marine project near Crownhill, Plymouth costing a vast amount of money only to see it knocked down after five or six years to make way for some housing for Plymouth City Council.

The picture to the right shows young Mr. Dell when he was living abroad.

In 1967 John decided to complete his work abroad and return home permanently and set up his own business 'Knowle Plant Hire', based at Knowle Farm, later to move to Borough Cross. Running alongside his plant work he became an agent for Tetcott Estate, taking over from the late Mr. Tucker.

John and his late wife, who sadly died in 2005 has a son, Simon and a daughter, Emma. John is also granddad to Simons three sons Ollie, Tom and William.

Before moving to their bungalow in Bridgerule, designed by his late wife, he lived in Marhamchurch where he was Chairman of the Parish Council for a number of years.

John said that when he was a teenager he played football for Bridgerule sometimes standing in as captain for young Mr. Bill Eastcott.

Over the years he has been President of Bude Rotary Club. The charity he chose to support during his reign of office was the St .John's Ambulance, presenting the money raised to the late Mr. Harry Littlejohns. He has also been President of the Holsworthy and Stratton Agricultural Show and of our own Revel Week.

John does not drive any more but still goes to the office of Knowle Contractors each day, now managed by his son, Simon. He said he enjoys watching television. In particular documentaries and sport, especially football.

His favourite tipple being a drop of whiskey. He also enjoys tending his plants in his conservatory and once a week he and some of his friends meet in a local hostelry.

Sheila thanks John for allowing her into his home and sharing some of his personal experiences with her for 'The Buzz'.

BRIDGERULE OPEN GARDENS

21

Enthusiastic gardeners in Bridgerule had a tremendous response on Sunday 6th June 2010 when they opened their gardens to raise money for the Devon and Cornwall Air Ambulance Trusts. £1906 was raised in total, and a cheque for £953 will be sent to each Trust.

Local people and holidaymakers were once again extremely generous in support of these 2 very worthwhile charities and were spoilt for choice!! For the entrance fee of £3.50 visitors could visit all 7 gardens.

This year St Bridget's Church made and served the Cream Teas and other refreshments, while the local Methodist Chapel ladies sold home made cakes at the cake stall, which was well supported by the villagers. Light lunches were also served at one of the gardens.

All the gardeners agreed that the hard work was worth the effort and were delighted that the magnificent sum of £1906 had been raised for these two very worthwhile charities. This was the fifth year that the gardens had been opened and it is getting more successful each year, thanks to the generosity of the local people and visitors alike, some of which came from Worcester, Launceston and Barnstaple. It is hoped to repeat the event next Year.

The photo shows Arthur Newton representing the Devon and Cornwall Air Ambulance being presented with the cheques for £953 for each county air ambulance, by Tia Jenkins the current Carnival Queen. Also in the photo are the owners who kindly allowed their gardens to be opened.
